The Warriors are back!

The Wanganui Warriors will be back at the ENZED Superstock Teams Championship in Palmerston North next week.

Wanganui Stockcar and Speedway Club President and Warriors manager Daryl James announced the team this morning:

Dion Mooney (Captain)

Scott McIntosh

Shaun Pearson

Chad Ace

Clint Hill

Francis Potaka (sixth driver)

Daryl James says the team is thrilled to be back, after missing last year's event.

"The Superstock class is growing in Wanganui but a number of drivers were not yet ready for teams racing. That is why the WSSC has approached two experienced campaigners in Ace and Hill" he said.

With Wanganui due to host the New Zealand Superstocks in 2019-20, the class is in good heart. The Warriors have a long history at the Palmerston North event, and the WSSC was determined to field a competitive team this season.

"A lot of work has gone in behind the scenes to put this team together" said Daryl James. "We hope our many supporters will get behind the Warriors as they Fly the V proudly in Palmerston North".
